A-1 – Letter from Andrew T Inga dated October 18, 2012. Re: What building plans can an engineer stamp and what constitutes incidental architectural work. Mr. Inga will appear before the Board at 9:30 am to discuss his letter. (Dist. 2)

Mr. Inga presented his case to the Board. The Board's discussion revealed their opinion that a licensed professional engineer may sign the plan set and as a result would be responsible for the design and the completion of the project. It was also noted that the licensed professional may rely on other licensed professionals, such as an architect, to provide designs of certain elements or components of the structure.

Chairman D'Andrea will forward a letter to DL Chandler regarding the Board's opinion.

A-2 Letter from Thomas D Hixson dated November 6, 2012. Re: NSPE Licensure and Qualifications for Practice (L& QP committee. (Dist. 2)
